AFFIDAVIT

I, **Sudhir Goyal** son of Sh. Kalu Ram, the **Managing Director** and **Project Proponent** of M/s Madhav KRG HRC Private Limited (*hereinafter referred to as the "Company"*), do hereby solemnly affirm and declare as follows:

Background and Context

1. That this Affidavit is furnished in compliance with **Clause 1.3 of Annexure-I (Specific EC Conditions)** of the correspondence letter issued by the State Environment Impact Assessment Authority (SEIAA), Punjab, under the Ministry of Environment, Forest and Climate Change, dated **10.10.2025**;
2. That the Company has its factory/ industry situated at Village Akalgarh and Bhagwanpura, Amloh Bhadson Road, Tehsil Bhadson and Amloh, District Patiala and Fatehgarh Sahib;
3. That the aforesaid requirement directs the Project Proponent to furnish a legal affidavit within two months to the effect that **in case of any family dispute, the Project Proponent shall make arrangements for the availability of the specified land, failing which the Environmental Clearance (EC) can be revoked**;
4. That for the establishment of the green belt area, the Company has taken on lease approximately **8.79 acres** of land situated at Village Faridpur, Tehsil Bhadson, District Patiala. The said land was leased by **Mrs. Madhu Goyal** vide vasika no. 2024-25/80/1/793 dated 25.03.2025, for a period of ten (10) years, effective from **01.03.2025 to 28.02.2035**;

Undertaking and Declaration

5. That I, **Sudhir Goyal**, in my capacity as the Project Proponent and Managing Director of the Company, hereby affirm and undertake that **in the event of any family dispute** concerning the aforesaid leased land (*approximately 8.79 acres located at Village Faridpur*), the Company and I shall ensure and **make all necessary arrangements for the continued availability of the said land for the mandated green belt area**.
6. That I further understand and acknowledge that the Environmental Clearance granted to M/s Madhav KRG HRC Private Limited is liable to be **revoked** if the Project Proponent fails to make arrangements for the availability of the said land due to any family dispute.

Dear Sir,

This is with reference to your letter no. SEIAA/MS/2026/70 dated 16.04.2026 regarding submission of revised AEA plan. First of all thanks a lot for consideration on our request. As required, pls. find attachment of revised AEA , which is now concrete, tangible, measurable and monitorable with clear timelines. Earlier we requested to allow us 60 months period for implementation. Now with best of our efforts we have prepared this plan to complete within 36 months period. Your goodself is kindly requested to consider our request and accord your necessary approval for AEA plan so that we can start implementation on immediate basis.

Thanks & Regards

Swarn Jeet Singh

Subject: Regarding Amendment in Environment Clearance granted to the project under the provision of EIA Notification, 2006 and as amended thereof- M/s Madhav KRG HRC Pvt. Limited.

With regard to above reference, it is intimated that the subject cited request was considered during 337th meeting of SEIAA held on 25.04.2026, wherein, SEIAA observed that the project proponent has sought a period of one month for submission of the AEA plan, which is required to be concrete, tangible, measurable and monitorable, clearly setting out defined timelines, milestones and verifiable physical outcomes. SEIAA further noted the submission of the project proponent regarding the difficulties being faced in the installation of a 50 TPH induction furnace and the consequent request for consideration of an extended period of 60 months for implementation of the AEA plan.

After detailed deliberations SEIAA decided that the project proponent be directed to submit the AEA plan, meeting the stipulated parameters of being concrete, tangible, measurable and monitorable with clearly defined timelines, milestones and verifiable physical outcomes, within a period of one (01) month. It was further decided that the implementation timeline for the AEA plan shall be considered and finalized thereafter, based on the submitted AEA plan.

This is for your information and further necessary action in the matter.

Environmental Engineer

Proposal for AEA activities

Sr. No.	Activity	Area	Timeline	Amount (₹ in Lakh)
1	Installation of Rooftop Rainwater Harvesting Systems in Government Schools and other Government / Public Buildings to promote water conservation and groundwater recharge.	Nearby areas in Amloh ,Bhadson, District Fatehgarh Sahib & District Patiala	Within 3 Years	30

Terms and Conditions

1. User shall comply with the provisions of the Punjab Water Resources (Management and Regulation) Act, 2020, The Punjab Groundwater Extraction and Conservation Directions, 2023 and other Regulations, Directions and instructions issued by the Authority from time to time.
2. The User shall install a water meter of required Specifications at each extraction structure and inform PWRDA along with a Calibration Certificate within three months of issue of this Permission. The water meter shall conform to the technical specifications, performance parameters and connectivity standards, etc. as required by the Authority.
3. The User (if required to install piezometer as per Directions) shall install the piezometer of the required specifications within three months of issue of this permission. (refer para 5.2 of the Directions).
4. Payment Cycle and Schedule shall be as per para 4.8 of the Directions.
5. In case of proposed water extraction structure which is yet to be commissioned, the user will intimate the Authority regarding all the details of the structure within 15 days of energizing of structure.
6. This Permission does not absolve the Unit of its obligations to obtain other required statutory and administrative clearances from appropriate Authorities.
7. The issue of this Permission does not imply that other statutory or administrative clearances shall necessarily be granted to the unit by the concerned Authorities.
8. This Permission is being issued without any prejudice to the orders of any court of law in cases related to groundwater or any other related matters.
9. The Authority may inspect the Unit and original documents at any time. In case it is found that any material facts have been concealed or misreported or any material difference is found in the information submitted and the site conditions or documents, the Authority may suspend the permission granted immediately and may cancel or alter the permission after giving a notice to the Unit. This will be without prejudice to any other action that may be taken under the law for supply of wrong information.
10. The User is advised to keep on checking the website of the Authority for updates on Directions and instructions on matters related to extraction of groundwater.
11. The User shall obtain revised/varied/fresh permission as the case may be, in case there is any change in ground water extraction structure, volume etc, before the aforesaid change is affected or within the time permitted under the Directions.
12. A user shall apply for renewal of permission in the required format three months prior to the expiry of permission.
